Player Eligibility

Defaults & Forfeits

Any defaulted or forfeited games will result in the non-offending team receiving the match points available. The score will be recorded as 1 shot to nil. No bonus points will be awarded.

Where a team has two sides in a division and those sides are playing each other, no points will be awarded should one team default or forfeit a game.

Weather interruption

Where any game is stopped because of inclement weather and cannot be resumed, the available match points for that game are to be divided equally between the Clubs.

Where a round is postponed prior to the start of play that round will be played on a spare day. If there are no spare days available, or previous postponed rounds have already been allocated to the spare day(s), that round will be abandoned and **no points will be awarded**.

Note: All divisions are to be run independently of each other (i.e. inclement weather in the Northern area of the Centre may not affect the Southern area and vice versa).

Appeals

The Centre Tournament Committee will adjudicate all appeals.
